I bet everything is crazy at the crime scene.

It would be nice if this could happen without too much trouble.

Sssssh...

?

What are you thinking about?

Oh, it's nothing.

Hm. Si Hun can't change this when he's not in the elevator, right?

Hi, Si Hun. Can I change this when I'm not in the elevator?

Do what?

In any case, let's continue.

You said that when you're in the elevator, right?

Even tonight, he went to do it, and he came back without attempting.

Could it be that the person controlling the butterflies has nothing left?

I wonder....

And since there's no harm in trying, we should put out lunch one it was.

I don't even know what the butterflies could be made of.

It broke. So could it be something like glass?

I don't make a guess either.

If it's glass, then it's magnetic. If it's magnetic, it can't melt on its own.

For an inanimate object to melt, it has to have a spirit.

If it has a spirit, then it has a soul.

But that butterfly seems like it was just a vessel.

It has like some thing in between an inanimate object... whether it does or not, I need to study more.....

Whatever. I'm done. Can I have my coupon and go anywhere I'd like anyway?

Those things are annoying.

Probably.

Encouraging the spirit and amplifying their resentment?

Those things are making me sick. Killing those people in shuts up to how they die.....

Crazy little things.

Right.

Hmm.

Let's go over the details again.

On a sunny day, all of the victims were killed inside the apartment by strangulation.

All of the victims were murdered between 12 and 14 in the morning.

To put it simply, burning living mannequins on rainy days.

30 years old men. All murdered inside the apartment elevators.

The ghost who killed them is an idiot.

She looked like she was around 30s or 40s.

It's that, you know, that? A lake or whatever.

A guy and his girlfriend got into a fight, and the girl killed the guy.

Right? It must be because of some regret or something like that.

But, but, but, there's that one. It's called 'dion something' or something like that.

Do you mean 'horror'?

Yeah, that thing.

Have to you thought about this, Bahram?

The thing that we need to know is not who she was murdered, but what she was murdered.

If we can figure out where she got killed, we'll be able to figure out the ghost.

And afterwards we should be able to prevent more victims.

Then the first thing we need to do is figure out the ghost's identity.

The area where the incident's happened is all within the Jamsung-ro area.

Hyoseongwondong, Bihyeong-dong, Jamsil-dong, Songpa-dong, Hwacheon-dong, Hwacheon-dong....

I presume it won't be possible to pass by every single one of them?

How are you going to find the ghost in question? We need to!

Oh dang it. I'll need to go to the police station.

I'll need to check what happened in on around Hyeonjeong.

You'll be able to find information about them?

There are a lot of people, so I don't want your hopes up.

Ah, it's time for surprise.

Mr. Tenor? We're still in the middle of the lesson.

I don't wanna! I don't wanna! Don't wanna!

Didn't wanna!

Wait, the recent serial murders not even one of them might be made solely...

Oh, wrong channel.

Mr. Si Hun, what's wrong?

Whit.

It is interesting that the fire department only had to deal with a single incident.

But these murders also have many similarities with the serial murders that happened 12 years ago targeting women...

A serial murder case from the 12 years ago?

What is it, Mr. Si Hun?

The Kap Chil Sung murderer.

Kap Chil Sung?

Right, Bahram. You don't have to research any more. It's the same thing.

He was an arsonist serial murderer from 12 years ago.

It was an arsonist who murdered women using gasoline. Name on the news.

Was attacked and murdered and strangled with a shredded rope.

Oh, did they catch the murderer?

Yes. But he murdered seven women before he was caught.

Now that I think about it, the Kap Chil Sung murders happened in Jamsil-dong area as well.....

.....!

JONGRO-KU?

ARCHIVES

IS THIS ALL THE INFORMATION.....

THE DOORS THAT THE FIVE MURDERS WERE TAKEN PLACE WERE ALL WITCH THE DOORS THAT WERE LOCKED FROM THE INSIDE OF HOUSE SO HAPPENED IN

12 YEARS AGO THE MURDERS WERE HYEONGSU-DONGSONG SUNG, SEONGSU-DONG, SEONGDONG-GU, MYEONGDONG, EUNGSONG, AND THEN HYEONGSU-DONGSONG AGAIN.....

THE MURDERS TAKING THE AROUND ARE WOMEN IN THEIR 20S. ONES 12 YEARS AGO.

BUT IT'S STILL STRANGE.....

FURTHERMORE.....

THE MURDERER, KANG CHUL SUNG ONLY TARGET WOMEN IN THEIR 20S.

KANG CHUL SUNG, 36 YEARS OLD. ON SEPTEMBER 2, 1998, HE WAS ARRAIGED AS THE SERIAL MURDERER.

DURING HIS INTERROGATION WITH THE DEATH PENALTY, HE DIED FROM TUBERCULOSIS IN 2001.

HE DIED 7 YEARS AGO.

THERE IS NO ONE SIMILAR TO THE GHOST IN THE PICTURES OF HIS VICTIMS

IT'S WEIRD THAT THE GHOST IS DISAPPEARING TWICE. THE MURDERER DIED 12 YEARS AGO PROBEN.

BUT BECAUSE OF THE BENEFITS IT'S ALSO HARD TO SAY THEY IT'S NOT THE REASON.....
